To order CD of complete set – remit \$30 to cover postage and CD production (\$15 for members of Pets Australia) with your name and address to PO Box 176 Pymble NSW 2073. CD purchase also includes copyright permission and some photos are clearer in full format. Allow 2 weeks for production and mailing.

Please note: Due to lighting conditions, some of the photos have been taken in natural rather than flash light – especially for black dogs. This has given a warm golden tone to some the photos, but generally shows coat texture better. Neither Pets Australia nor The Grooming School is responsible for photo quality.
