

Groomer Training

The Grooming School - NSW

With an emphasis on perfection The Grooming School's aim is to provide an unbeaten standard of quality training and learning by delivering most modern and up to date methods and courses available to students and groomers. Whether you are starting from scratch or would like to become an Internationally Certified Master Groomer (ICMG), The Grooming School can provide the opportunities and training for all levels of competency in the world of dog grooming and pet styling.

The head instructor Christine Speerin (ICMG) has travelled the globe learning and developing her training skills from her peers and International schools throughout the USA and Europe. Christine is an International Grooming Judge for IJA (International Judges Association) a Certifier for International Professional Groomers Inc (IPG) and is also an Internationally Certified Master Groomer (ICMG). Christine also holds an Australian Certificate IV in Workplace Training and Assessment and has some 30 + years hands on experience.

The knowledge of her craft and expertise at teaching is designed to take you from the infancy of learning the Art Of Dog Grooming to the successful and exciting stage of starting and controlling your own profitable business, and beyond. All stages are meticulously taught by Christine and her passionate staff in a fun filled environment . Our courses provide you with International certification and give you the flexibility to work around your own lifestyle and can also be completed on a part-time basis. Enrolling is easy and our requirements can be viewed in our Prices and Enrolment section on our website at www.thegroomingschool.com.au

The Grooming School offers a fresh, exciting fun filled way of learning for people of all ages and abilities to give you the personal attention needed to get you to understand the "Art Of Dog Grooming" and get you into the workplace with all the necessary skills and requirements to operate your own successful and profitable business. This is our guarantee. Our new and exciting online courses will be available early 2011
