

**Pet Design &
Pets Australia Proudly Present:**

Basic Dog Care and Grooming Course (Grooming Level 1) at TWO great venues

Can You REALLY Groom Your Pet?

Save \$\$ at the Groomers with this intensive one day course teaching you how to properly bath, dematt, brush and care for your dog's coat, using the techniques the professionals use. Bring Your Own Dog and learn while you have fun and network with other pet lovers!

If you serious about pet ownership, or thinking about a possible career in pet grooming, you need to be at this course.

Basic Dog Care and Grooming is taught by a Salon owners and groomers, who work with pets and show animals daily. Come along and see the real masters in action while you learn.

The course includes: a Certificate of Attendance, hard copy course notes, all training materials. The course focuses on 'real world' coat care and grooming. It includes:

- *How to get an animal to sit or stand comfortably for grooming*
- *How to establish a relationship so the animal trusts you to groom it*
- *Dematting the professional way, with minimal damage to coat*
- *Common animal care techniques – cutting nails, combing, clipping sanitary areas*
- *Bathing and drying techniques for animal comfort and safety*
- *Discussion and advice on what to include in your Home Grooming kit*

There is also time to discuss issues you are concerned about.

Most attendees save money at the groomers after attending this course!
